

The Rainbow Guesthouse is run by Ecumenical Sangam, a charitable society for community health and development. Sangam is independent from any other organisation or congregation and its objective is the uplifting of the weaker sections of society, especially in the villages south of Nagpur.

Income from our Rainbow Guesthouse is utilised for the society's programmes such as:

- kindergarten classes
- tailoring and technical classes
- training programme for Village Health and Social Workers
- rural medical aid

and many other programmes. In case of any enquiries kindly contact our staff or visit our website www.sangamonline.org.
